1. A "Renewal by Customer's Choice" Representative will come to your home to provide you with a FREE consultation.

2. We'll custom manufacture and professionally install your windows. Then we'll clean up after ourselves and haul away your old windows.

3. Now you can sit back, relax and enjoy your windows by Customer's Choice. You've selected the very best locally based windows replacement company that takes care of everything - start to finish.

The Small Business Administration reports most home improvement companies stay in business less than five years. But Customer's Choice has installed over 100,000 replacement windows in more than 10,000 homes since 1982.

Our Lifetime warranty lasts longer than some replacement windows companies.
